In addition, all documents subsequently filed by the Registrant pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Exchange Act, prior to the filing of a post-effective amendment which indicates that all securities offered have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference in this Registration Statement and to be a part hereof from the date of filing such documents. Any statement contained herein or in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that a statement contained herein or in any other subsequently filed document which also is or is deemed to be incorporated by reference herein modifies or supersedes such statement. Any such statement so modified or superseded shall not be deemed to constitute a part of this Registration Statement, except as so modified or superseded. Nothing in this Registration Statement shall be deemed to incorporate information furnished by us but not filed with the Commission pursuant to Items 2.02 or 7.01 of Form 8-K.

Item 4. Description of Securities.

The following description of our Deferred Compensation Obligations under the ResMed Inc. Amended and Restated Deferred Compensation Plan (“the Plan”) is qualified by reference to the Plan. Capitalized terms used in this Item 4 and not otherwise defined in this registration statement shall have the respective meanings attributed to such terms in the Plan.

The Deferred Compensation Obligations being registered under this Registration Statement are to be offered to a select group of our management and highly compensated employees and certain of our subsidiaries who have been selected by the Administrative Committee, which is appointed by our Board of Directors (the “Board”) to participate in the Plan and who have completed and submitted to us a written agreement electing to participate in the Plan (a “Compensation Deferral Agreement”). The Deferred Compensation Obligations are our general unsecured and unfunded obligations to pay deferred compensation in the future in accordance with the terms of the Plan.

The amount of compensation deferred by each participant in the Plan is determined in accordance with the Plan based upon elections by each participant. To participate in the Plan, a participant must elect to defer from either base salary, bonuses or commissions or a combination of base salary, bonuses and commissions, or such other compensation approved by the Committee, and may elect to defer up to a maximum of 75% (or such other percentage specified by the Committee) of such participant’s base salary, bonuses and commissions earned by completing and submitting a Compensation Deferral Agreement to us.

Deferred Compensation Obligations will consist of an amount equal to each participant’s account under the Plan, which includes (i) the participant’s compensation deferral amounts, plus (ii) any Discretionary Contributions (employer contributions or allocations to a participant’s Plan account), plus or less (iii) amounts credited to or debited from the participant’s account based on the investment gains or losses on the measurement fund alternatives selected by the participant (and in which the participant’s account is deemed invested) in accordance with and subject to the rules and procedures established from time to time by the Committee made under the Plan; less (iv) all distributions or withdrawals made to the participant or his or her beneficiary pursuant to the Plan from the participant’s account under the Plan.

A participant may elect in his or her Compensation Deferral Agreement to receive distributions from his or her account under the Plan in lump sum or installment payments. The times and forms of the payment of a distribution provided to a participant differ depending on the circumstances under which that participant terminates employment with the Company, for instance by death or disability or within two years following a Change in Control. The participant also may be eligible to receive scheduled distributions or make unscheduled withdrawals from his or her account while still employed with us and our subsidiaries in accordance with the terms and conditions of the Plan.

An irrevocable trust may be established to pay the Deferred Compensation Obligations at the discretion of the Committee. We may make contributions to the trust and, under certain circumstances, will be required to make contributions to the trust.

The Plan is administered by the Committee, which has the power to make, amend, interpret and enforce all appropriate rules and regulations for the administration of the Plan, to construe and resolve all questions arising under the Plan, and otherwise to carry out the terms of the Plan. The Company, by action of its Board of Directors, may terminate the Plan at any time and, by action of the Board (or the Compensation Committee of the Board) may amend the Plan from time to time; provided, however, that no such amendment shall be effective to the extent it reduces the value of a participant’s account under the Plan in existence as of such amendment.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

We are incorporated in the state of Delaware. Section 145(a) of the General Corporation Law of the State of Delaware (the “DGCL”) empowers a

corporation to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe the person's conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which the person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that the person's conduct was unlawful.

Section 145(b) of the DGCL empowers a corporation to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses (including attorneys' fees) actually and reasonably incurred by the person in connection with the defense or settlement of such action or suit if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation and except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.

Section 145(c) of the DGCL provides that to the extent that a present or former director or officer of a corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in subsections (a) and (b) of Section 145, or in defense of any claim, issue or matter therein, such person shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection therewith.

Section 145(d) of the DGCL provides that any indemnification under subsections (a) and (b) of Section 145 (unless ordered by a court) shall be made by the corporation only as authorized in the specific case upon a determination that indemnification of the present or former director, officer, employee or agent is proper in the circumstances because the person has met the applicable standard of conduct set forth in subsections (a) and (b) of Section 145. Such determination shall be made, with respect to a person who is a director or officer of the corporation at the time of such determination, (1) by a majority vote of the directors who are not parties to such action, suit or proceeding, even though less than a quorum, or (2) by a committee of such directors designated by majority vote of such directors, even though less than a quorum, or (3) if there are no such directors, or if such directors so direct, by independent legal counsel in a written opinion, or (4) by the stockholders.

Section 145(e) of the DGCL provides that expenses (including attorneys' fees) incurred by an officer or director in defending any civil, criminal, administrative or investigative action, suit or proceeding may be paid by the corporation in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such director or officer to repay such amount if it shall ultimately be determined that such person is not entitled to be indemnified by the corporation as authorized in Section 145. Such expenses (including attorneys' fees) incurred by former directors and officers or other employees and agents of the corporation or by persons serving at the request of the corporation as directors, officers, employees, or agents of another corporation, partnership, joint venture, trust, or other enterprise may be so paid upon such terms and conditions, if any, as the corporation deems appropriate.

Section 145(f) of the DGCL provides that the indemnification and advancement of expenses provided by, or granted pursuant to, the other subsections of Section 145 shall not be deemed exclusive of any other rights to which those seeking indemnification or advancement of expenses may be entitled under any bylaw, agreement, vote of stockholders or disinterested directors or otherwise, both as to action in such person's official capacity and as to action in another capacity while holding such office.

Section 145(g) of the DGCL provides that a corporation shall have power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against such person and incurred by such person in any such capacity, or arising out of such person's status as such, whether or not the corporation would have the power to indemnify such person against such liability under Section 145.

Section 145(j) of the DGCL provides that the indemnification and advancement of expenses provided by, or granted pursuant to, Section 145 shall, unless otherwise provided when authorized or ratified, continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the heirs, executors and administrators of such a person.

Section 102(b)(7) of the DGCL provides that a certificate of incorporation may contain a provision eliminating or limiting the personal liability of a director to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, provided that such provision shall not eliminate or limit the liability of a director: (i) for any breach of the director's duty of loyalty to the corporation or its stockholders; (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law; (iii) under Section 174 of the DGCL or (iv) for any transaction from which the director derived an improper personal benefit.

In accordance with Section 102(b)(7) of the DGCL, the First Restated Certificate of Incorporation of ResMed Inc., as amended (the "Certificate of Incorporation") contains a provision that indemnifies to the fullest extent permitted by Section 102(b)(7) of the DGCL each person that Section 102(b)(7) grants us the power to indemnify. Furthermore, our Certificate of Incorporation and the Sixth Amended and Restated Bylaws of ResMed Inc. (the "Bylaws") provide for indemnification to the fullest extent permitted by Section 145 of the DGCL of each person that Section 145 of the DGCL grants us the power to indemnify.

We have entered into indemnification agreements with each of our directors and executive officers to provide contractual indemnification in addition to the indemnification provided in our Certificate of Incorporation and Bylaws. Each indemnification agreement provides for indemnification and advancements by us of certain expenses and costs relating to claims, suits or proceedings arising from his or her service to us or, at our request, service to other entities, as officers or directors to the maximum extent permitted by applicable law. We believe that these provisions and agreements are necessary to attract qualified directors and officers. We intend to maintain insurance coverage for our officers and directors as well as insurance coverage to reimburse us for potential costs of our corporate indemnification of directors and officers.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:
 - (i) to include any prospectus required by Section 10(a)(3) of the Securities Act;
 - (ii) to reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and
 - (iii) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that:

- (A) paragraphs (a)(1)(i) and (a)(1)(ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the SEC by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.
 - (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
 - (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the provisions described in Item 6 above, or otherwise, the Registrant has been advised that in the opinion of the SEC, such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

ARTICLE I.

Establishment and Purpose

ResMed Inc., a Delaware corporation (the “Company”), established the ResMed Inc. Deferred Compensation Plan, as amended and restated as of July 1, 2010, and as further amended and restated as of May 21, 2020 (now, as amended and restated, the “Plan,” and such latest amendment and restatement date, the “2020 Amendment Date”). Except as otherwise stated herein, the Plan applies to deferrals of compensation for Participants commencing effective July 1, 2010.

The purpose of the Plan is to attract and retain key employees by providing Participants with an opportunity to defer receipt of a portion of their Salary, Bonus, Commissions and other specified compensation. The Plan is not intended to meet the qualification requirements of Code Section 401(a), but is intended to meet the requirements of Code Section 409A, and shall be operated and interpreted consistent with that intent.

The Plan constitutes an unsecured promise by each Participating Employer to pay benefits in the future. Participants in the Plan shall have the status of general unsecured creditors of the Company or such other Participating Employer, as applicable. Each Participating Employer shall be solely responsible for payment of the benefits of its employees and their beneficiaries. The Plan is unfunded for federal tax purposes, and is intended to be an unfunded arrangement for eligible employees who are part of a select group of management or highly compensated employees of the Employer within the meaning of Sections 201(2), 301(a)(3), and 401(a)(1) of ERISA. Any amounts set aside to defray the liabilities assumed by the Company or another Participating Employer will remain the general assets of the Company or the applicable Participating Employer, and shall remain subject to the claims of the Company’s or the Participating Employer’s creditors, until such amounts are distributed to the Participants.

ARTICLE II

Definitions

- 2.1 Account. Account means a bookkeeping account maintained by the Committee to record the payment obligation of a Participating Employer to a Participant as determined under the terms of the Plan. The Committee may maintain an Account to record the total obligation to a Participant, and component Accounts to reflect amounts payable at different times and in different forms. Reference to an Account means any such Account established by the Committee, as the context requires. Accounts are intended to constitute unfunded obligations within the meaning of Sections 201(2), 301(a)(3) and 401(a)(1) of ERISA.
- 2.2 Account Balance. Account Balance means, with respect to any Account, the total payment obligation owed to a Participant from such Account as of the most recent Valuation Date.
- 2.3 Affiliate. Affiliate of an Employer means any corporation, trade or business that, together with such Employer, is treated as a single employer under Code Section 414(b) or (c).
- 2.4 Beneficiary. Beneficiary means a natural person, estate, or trust designated by a Participant to receive payments to which a Beneficiary is entitled upon the death of a Participant in accordance with the provisions of the Plan.
- 2.5 Board of Directors. Board of Directors means the board of directors of the Company.

- 2.6 Bonus. Bonus means any cash compensation, in addition to Salary, for services performed by a Participant for a Service Recipient during the applicable Plan Year (or applicable Plan Years), whether or not paid in such Participant's Plan Year or included on the federal income tax form W-2 for such Plan Year (or Plan Years), payable to a Participant under any Employer's annual, semi-annual, or quarterly bonus plans, excluding any cash that may be payable with respect to any long-term incentive plans, stock options, stock appreciation rights, and/or restricted stock. Bonus shall be calculated before reduction for compensation voluntarily deferred or contributed by the Participant pursuant to all qualified or nonqualified plans of any Employer. Notwithstanding the foregoing, for Deferral elections made on or after the 2020 Amendment Date, Bonus does not include amounts earned by a Participant while transferred to an Affiliate outside the United States and removed from U.S. payroll pursuant to a Short or Long-term assignment, International Relocation, or Localization arrangement under the Company's Global Mobility Policy.
- 2.7 Business Day. Business Day means each day on which the New York Stock Exchange is open for business.
- 2.8 Change in Control. Change in Control means the occurrence of a "change in the ownership," a "change in the effective control" or a "change in the ownership of a substantial portion of the assets" of a corporation, as determined in accordance with this Section. In order for an event described below to constitute a Change in Control with respect to a Participant, except as otherwise provided in part (b)(ii) of this Section, the applicable event must relate to the corporation for which the Participant is providing services, the corporation that is liable for payment of the Participant's Account Balance (or all corporations liable for payment if more than one), as determined in accordance with Treas. Reg. §1.409A-3(i)(5)(ii)(A)(2), or such other corporation as is determined in accordance with Treas. Reg. §1.409A-3(i)(5)(ii)(A)(3).

In determining whether an event shall be considered a "change in the ownership," a "change in the effective control" or a "change in the ownership of a substantial portion of the assets" of a corporation, the following provisions shall apply:

- (a) A "change in the ownership" of the applicable corporation shall occur on the date on which any one person, or more than one person acting as a group, acquires ownership of stock of such corporation that, together with stock held by such person or group, constitutes more than 50% of the total fair market value or total voting power of the stock of such corporation, as determined in accordance with Treas. Reg. §1.409A-3(i)(5)(v). If a person or group is considered either to own more than 50% of the total fair market value or total voting power of the stock of such corporation, or to have effective control of such corporation within the meaning of part (b) of this Section, and such person or group acquires additional stock of such corporation, the acquisition of additional stock by such person or group shall not be considered to cause a "change in the ownership" of such corporation.
- (b) A "change in the effective control" of the applicable corporation shall occur on either of the following dates:
- (i) The date on which any one person, or more than one person acting as a group, acquires (or has acquired during the 12-month period ending on the date of the

most recent acquisition by such person or persons) ownership of stock of such corporation possessing 30% or more of the total voting power of the stock of such corporation, as determined in accordance with Treas. Reg. §1.409A-3(i)(5)(vi). If a person or group is considered to possess 30% or more of the total voting power of the stock of a corporation, and such person or group acquires additional stock of such corporation, the acquisition of additional stock by such person or group shall not be considered to cause a “change in the effective control” of such corporation; or

- (ii) The date on which a majority of the members of the applicable corporation’s board of directors is replaced during any 12-month period by directors whose appointment or election is not endorsed by a majority of the members of such corporation’s board of directors before the date of the appointment or election, as determined in accordance with Treas. Reg. §1.409A-3(i)(5)(vi). In determining whether the event described in the preceding sentence has occurred, the applicable corporation to which the event must relate shall only include a corporation identified in accordance with Treas. Reg. §1.409A-3(i)(5)(ii) for which no other corporation is a majority shareholder.
 - (c) A “change in the ownership of a substantial portion of the assets” of the applicable corporation shall occur on the date on which any one person, or more than one person acting as a group, acquires (or has acquired during the 12-month period ending on the date of the most recent acquisition by such person or persons) assets from the corporation that have a total gross fair market value equal to or more than 40% of the total gross fair market value of all of the assets of the corporation immediately before such acquisition or acquisitions, as determined in accordance with Treas. Reg. §1.409A-3(i)(5)(vii). A transfer of assets shall not be treated as a “change in the ownership of a substantial portion of the assets” when such transfer is made to an entity that is controlled by the shareholders of the transferor corporation, as determined in accordance with Treas. Reg. §1.409A-3(i)(5)(vii)(B).
 - (d) The determination of whether an event constitutes a Change in Control shall be made in compliance with Treas. Reg. §1.409A-3(i)(5).
- 2.9 Change in Control Benefit. Change in Control Benefit means the benefit payable pursuant to the Payment Schedule that may be elected by a Participant in the event a Participant experiences a Separation from Service within 1 year following a Change in Control, as provided in Section 6.1 of the Plan.
- 2.10 Claimant. Claimant means a Participant or Beneficiary filing a claim under Article XII of this Plan.
- 2.11 Code. Code means the Internal Revenue Code of 1986, as amended from time to time.
- 2.12 Code Section 409A. Code Section 409A means Section 409A of the Code, and regulations and other guidance issued by the Treasury Department and Internal Revenue Service thereunder.

An Eligible Employee shall become eligible to accrue deferred compensation under the Plan on the date such Eligible Employee becomes a Participant.

In the case of an Eligible Employee who becomes a Participant on June 1, 2010, such Participant shall be eligible to submit a Compensation Deferral Agreement in accordance with Treas. Reg. §1.409A-2(a)(7). Such Compensation Deferral Agreement shall become irrevocable on June 30, 2010 (or such earlier date as is designated by the Committee) and shall apply to Compensation earned for services after June 30, 2010.

3.2 Duration. A Participant shall continue to be eligible to make Deferrals of Compensation and receive allocations of Discretionary Contributions, subject to the terms of the Plan, for as long as such Participant remains an Eligible Employee or until the Committee in its discretion decides the Participant no longer is entitled to participate in the Plan. A Participant who ceases to be an Eligible Employee or who no longer is entitled to participate in the Plan but who has not Separated from Service or otherwise qualified for and received (or has had a Beneficiary receive) a complete distribution of his or her Account Balance from the Plan, shall not make further deferrals of Compensation effective as of the first day of the Plan Year following the Plan Year in which the Participant ceases to be an Eligible Employee. Such individual may otherwise exercise all of the rights of a Participant under the Plan with respect to his or her Account(s). On and after a Separation from Service, a Participant shall remain a Participant as long as his or her Account Balance is greater than zero, and during such time may continue to make allocation elections as provided in Section 8.4. An individual shall cease being a Participant in the Plan when all benefits under the Plan to which he or she is entitled have been

paid.

- 3.3 Reemployment. If a former Eligible Employee is rehired by an Employer and is again selected as eligible to participate in the Plan, he or she shall reenter the Plan on the first day of any Plan Year commencing after the date he or she is selected in accordance with the provisions of Section 3.1. If such individual meets the requirements of Treasury Regulations Section 1.409A-2(a)(7) as of such reentry date, he or she will be treated as initially eligible to participate in the Plan for purposes of Section 4.2(a). Such Eligible Employee's reentry into the Plan shall have no impact on any distributions that have been made or are being made in accordance with Article VI. Any amounts previously forfeited from the Participant's Accounts pursuant to this Plan shall not be restored or reinstated upon the Participant's subsequent reentry into the Plan.
- 3.4 Adoption by Affiliates. An employee of an Affiliate may not become a Participant in the Plan unless the Affiliate has previously adopted the Plan and thereby become a Participating Employer. - (a) A Participant may elect to make Deferrals of Compensation by submitting a Compensation Deferral Agreement during the enrollment periods established by the Committee and in the manner specified by the Committee, but in any event, in accordance with Section 4.2. A Compensation Deferral Agreement that is not timely filed with respect to a service period or component of Compensation shall be considered void and shall have no effect with respect to such service period or Compensation. The Committee may accept or reject any Compensation Deferral Agreement and may modify it as necessary to comply with Section 2.18 prior to the date the election becomes irrevocable under the rules of Section 4.2.
- (b) The Participant shall specify on his or her Compensation Deferral Agreement the amount of the Deferral for the Plan Year, and whether to allocate the Deferral to a Separation from Service Account, to or among one or more Specified Date Accounts, or among a Separation from Service Account and one or more Specified Date Accounts. If no allocation is indicated, or if an invalid allocation is made (such as a Deferral allocated to a Specified Date Account with a distribution date occurring in the same calendar year as the Plan Year to which the Deferral election refers), the Deferral shall be allocated to the Separation from Service Account. A Participant may also specify in his or her Compensation Deferral Agreement the Payment Schedule applicable to his or her Plan Accounts, including his or her Separation from Service Account, Specified Date Account and Change in Control Benefit. If the Payment Schedule for a Separation from Service

Benefit is not specified in a Compensation Deferral Agreement, the Payment Schedule shall be in a single lump sum and, in the case of a Separation from Service Account, the distribution will be made on the first Business Day that follows the first January 15 following the Participant's Separation from Service. If the Payment Schedule for a Change in Control Benefit is not specified in a Compensation Deferral Agreement, the Payment Schedule will be that selected with respect to the Separation of Service Benefit, which if also not specified, shall be distributed pursuant to the immediately preceding sentence. Notwithstanding the foregoing, if a Participant is a Specified Employee on the date of such Participant's Separation from Service, such distribution will be made not earlier than the first day of the seventh calendar month following the calendar month in which the Separation from Service occurs (or, if earlier, the date of such Participant's death).

4.2 Timing Requirements for Compensation Deferral Agreements.

- (a) *First Year of Eligibility.* In the case of the first year in which an Eligible Employee becomes eligible to participate in the Plan, he or she shall have up to 30 days following the date on which he or she becomes eligible to participate in the Plan to submit a Compensation Deferral Agreement with respect to Compensation to be earned during such Plan Year. A completed Compensation Deferral Agreement described in this paragraph shall become irrevocable upon the end of such 30-day period, except as otherwise provided in this Section 4.2. The determination of whether an Eligible Employee may file a Compensation Deferral Agreement under this paragraph shall be determined in accordance with the rules of Code Section 409A, including the provisions of Treas. Reg. §1.409A-2(a)(7).

A Compensation Deferral Agreement filed under this paragraph applies to Compensation earned for services performed after the date the Compensation Deferral Agreement becomes irrevocable. Any Compensation Deferral Agreement under this subsection (a) shall satisfy the requirements of Treas. Reg. §1.409A-2(a)(7).

- (b) *Prior Year Election.* Except as otherwise provided in this Section 4.2, Participants may defer Compensation by filing a Compensation Deferral Agreement no later than December 31st of the calendar year prior to the calendar year in which the Compensation to be deferred is earned. A Compensation Deferral Agreement described in this paragraph shall become irrevocable with respect to such Compensation no later than December 31st of the calendar year prior to the calendar year in which such Compensation is earned.
- (c) *Performance-Based Compensation.* Participants may file a Compensation Deferral Agreement with respect to Performance-Based Compensation no later than the date that is six months before the end of the performance period, provided that:
- (i) the Participant performs services continuously from the later of the beginning of the performance period or the date the criteria are established through the date the Compensation Deferral Agreement is submitted; and
 - (ii) the Compensation is not readily ascertainable as of the date the Compensation Deferral Agreement is filed.

A Compensation Deferral Agreement becomes irrevocable with respect to Performance-Based Compensation as of the date on which the deadline for filing such election occurs. The Committee shall determine the deadline for filing such an election in compliance with Code Section 409A. Any Compensation Deferral Agreement under this subsection (c) shall satisfy the requirements of Treas. Reg. §1.409A-2(a)(8).

- (d) *Short-Term Deferrals.* Compensation that meets the definition of a “short-term deferral” described in Treas. Reg. §1.409A-1(b)(4) may be deferred in accordance with the rules of Article VII, applied as if the date the Substantial Risk of Forfeiture lapses is the date payments were originally scheduled to commence. Any Compensation Deferral Agreement under this subsection (d) shall satisfy the requirements of Treas. Reg. §1.409A-2(a)(4).
 - (e) *Certain Forfeitable Rights.* With respect to a legally binding right to a payment in a subsequent year that is subject to a forfeiture condition requiring the Participant’s continued services for a period of at least 12 months from the date the Participant obtains the legally binding right, an election to defer such Compensation may be made on or before the 30th day after the Participant obtains the legally binding right to the Compensation, provided that the election is made at least 12 months in advance of the earliest date at which the forfeiture condition could lapse. The Compensation Deferral Agreement described in this paragraph becomes irrevocable on such 30 day. If the forfeiture condition applicable to the payment lapses before the end of the required 12 month service period as a result of the Participant’s death or disability (as defined in Treasury Regulations Section 1.409A-3(i)(4)) or upon a Change in Control (as defined in Treasury Regulations Section 1.409A-3(i)(5)), the Compensation Deferral Agreement will be void unless it would be considered timely under another rule described in this Section. Any Compensation Deferral Agreement under this subsection (e) shall satisfy the requirements of Treas. Reg. §1.409A-2(a)(5).
 - (f) *“Evergreen” Deferral Elections.* Deferral elections under the Plan are effective for a single Plan Year; new elections must be made in order to defer Compensation during the following Plan Year. However, the Committee, in its discretion, may change this protocol by providing in the Compensation Deferral Agreement that such Compensation Deferral Agreement will continue in effect for each subsequent Plan Year or performance period, as applicable. In such event, such “evergreen” Compensation Deferral Agreements will become effective with respect to an item of Compensation on the date such election becomes irrevocable under this Section 4.2. An evergreen Compensation Deferral Agreement may be terminated or modified prospectively with respect to Compensation for which such election remains revocable under this Section 4.2. A Participant whose Compensation Deferral Agreement is cancelled in accordance with Section 4.6 will be required to file a new Compensation Deferral Agreement under this Article IV in order to recommence Deferrals under the Plan.
- 4.3 Allocation of Deferrals. A Compensation Deferral Agreement may allocate Deferrals to one or more Specified Date Accounts and/or to the Separation from Service Account. The Committee may, in its discretion, establish a minimum deferral period for the establishment of a Specified Date Account.

- 4.4 Deductions from Pay. The Committee has the authority to determine the payroll practices under which any component of Compensation subject to a Compensation Deferral Agreement will be deducted from a Participant's Compensation.
- 4.5 Vesting. Participant Deferrals shall be 100% vested at all times.
- 4.6 Cancellation of Deferrals. The Committee may cancel a Participant's Deferral election: (a) for the balance of the Plan Year in which an Unforeseeable Emergency (as defined in Section 2.45) occurs in accordance with Treas. Reg. §1.409A-3(j)(4)(viii), (b) if the Participant receives a hardship distribution under the Employer's qualified 401(k) plan under Treas. Reg. §1.401(k)-1(d)(3) (relating in-service distributions of 401(k) plan elective contributions as a result of an immediate and heavy financial need), in accordance with Treas. Reg. §1.409A-3(j)(4)(viii), or (c) during periods in which the Participant is unable to perform the duties of his or her position or any substantially similar position due to a mental or physical impairment that can be expected to result in death or last for a continuous period of at least six months, provided cancellation occurs by the later of the end of the taxable year of the Participant or the 15th day of the third month following the date the Participant incurs the disability (as defined in this paragraph) in accordance with Treas. Reg. §1.409A-3(j)(4)(xii).
- 4.7 Benefits Not Contingent. Deferrals and credits for any Participants under this Plan are not conditioned (directly or indirectly) upon the Participant's election to make (or not to make) deferrals under the 401(k) plan sponsored by the Company.

ARTICLE V

Employer Contributions

- 5.1 Discretionary Contributions. A Participating Employer shall credit one or more Discretionary Contributions to a Participant in such amounts and at such times as are determined by the Committee from time to time in its sole discretion. Any such amounts are credited at the sole discretion of the Committee, and the fact that a Discretionary Contribution is credited in one year shall not obligate the Participating Employer or the Committee to continue to make such Discretionary Contributions in subsequent years. Any such Discretionary Contributions shall be subject to the approval of the Board or the Compensation Committee to the extent required by applicable law. Neither the Participating Employer nor the Committee shall have any obligation to make any such Discretionary Contributions or to make them on a consistent basis among similarly-situated Eligible Employees. Any Discretionary Contributions credited to a Participant's Account pursuant to this Section 5.1 shall be credited on a date or dates to be determined by the Committee in its sole and absolute discretion, and the crediting date or dates may be different for different Participants. Unless the context clearly indicates otherwise, a reference to Discretionary Contributions shall include Earnings attributable to such contributions. Discretionary Contributions will be credited to a Participant's Separation from Service Account, unless the Committee, in its sole discretion, elects in writing on or before the date on which the Participant obtains a legally binding right to such Discretionary Contribution (which election shall be irrevocable on such date) to credit the Discretionary Contribution to a Participant's Specified Date Account.
- 5.2 Vesting. A Participant shall be vested in his or her Discretionary Contributions described in Section 5.1 above in accordance with the vesting schedules established by the Committee, at the

time such amount is first credited to the Participant's Account under this Plan. The Committee may, at any time, in its sole and absolute discretion (subject to any approval by the Board or the Compensation Committee required by applicable law), increase a Participant's vested interest in a Discretionary Contribution. Notwithstanding the foregoing, all Discretionary Contributions shall become 100% vested upon the occurrence of the earliest of: (i) the death of the Participant while actively employed by a Participating Employer, (ii) the Disability of the Participant, or (iii) a Change in Control. The portion of a Participant's Accounts that remains unvested upon his or her Separation from Service after the application of the terms of this Section 5.2 shall be forfeited.

ARTICLE VI

Benefits

6.1 Benefits. Generally. A Participant shall be entitled to the following benefits under the Plan:

- (a) *Separation from Service Benefit.* Upon the Participant's Separation from Service, he or she shall be entitled to a Separation from Service Benefit, except to the extent the Participant (i) makes an election with respect to the Payment Schedule for a Change in Control Benefit, and (ii) experiences a Separation from Service within 1 year following a Change in Control). The Separation from Service Benefit shall be equal to the vested portion of the Participant's Separation from Service Account and any Specified Date Account Balances for Specified Date Accounts with respect to which payments have not yet commenced, based on the value of that Account as of the end of the calendar month immediately preceding the calendar month of distribution. Payment of the Separation from Service Benefit will be made (or begin in the case of installments) according to the Participant's election on: (i) first Business Day that follows the first January 15th following the Participant's Separation from Service, or (ii) the first anniversary of the date specified in the immediately preceding (i). Notwithstanding the foregoing, if a Participant is a Specified Employee on the date of such Participant's Separation from Service and elects the option identified in (i) in the immediately preceding sentence, such distribution will be made or begin not earlier than the first day of the seventh calendar month following the calendar month in which the Separation from Service occurs (or, if earlier, the date of such Participant's death). If the Separation from Service Benefit is to be paid in the form of installments, any subsequent installment payments will be paid on the anniversary of the date such payments commence. The Separation from Service Benefit shall be based on the value of that/those Account(s) on the date of the distribution.
- (b) *Specified Date Benefit.* If the Participant has established one or more Specified Date Accounts and has not experienced a Separation from Service prior to the date designated for distribution by the Participant at the time such Specified Date Account was established, he or she shall be entitled to a Specified Date Benefit with respect to each such Specified Date Account. The Specified Date Benefit shall be equal to the vested portion of the Specified Date Account, based on the value of that Account as of the end of the calendar month of distribution designated by the Participant at the time the Account was established. Payment of the Specified Date Benefit will be made (or begin in the case of installments) in the calendar month next following the designated calendar month of distribution. If the Specified Date Benefit is to be paid in the form of

installments, any subsequent installment payments will be paid on the anniversary of the date identified in the immediately preceding sentence.

(c) *Disability Benefit.* In the event that a Participant becomes Disabled, he or she shall be entitled to a Disability Benefit. The Disability Benefit shall be equal to the vested portion of the Separation from Service Account and the unpaid balances of any Specified Date Accounts. The payment date for the Disability Benefit shall be the first Business Day of the calendar month next following the calendar month in which the Participant became Disabled, and the Disability Benefit shall be based on the value of the Accounts as of the last day of the calendar month in which Disability occurs and will be paid in the next following calendar month. The Disability Benefit shall be paid in a single lump sum.

(d) *Death Benefit.* In the event of the Participant's death, his or her designated Beneficiary(ies) shall be entitled to a Death Benefit. The Death Benefit shall be equal to the vested portion of the Separation from Service Account and the unpaid balances of any Specified Date Accounts. The payment date for the Death Benefit shall be the first Business Day of the calendar month next following the calendar month in which the Participant's death occurred, and the Account(s) will be valued as of the end of the calendar month in which death occurred. The Death Benefit shall be paid in a single lump sum.

Each Participant may, pursuant to such procedures as the Committee may specify, designate one or more Beneficiaries in connection with the Plan. If a Participant names someone other than his or her spouse as a primary Beneficiary with respect to any portion of his or her Accounts, spousal consent shall be required to be provided in a form designated by the Committee, executed by such Participant's spouse and returned to the Committee. A Participant may change or revoke a Beneficiary designation by delivering to the Committee a new designation (or revocation). Any designation or revocation shall be effective only if it is received by the Committee. However, when so received, the designation or revocation shall be effective as of the date the notice is executed (whether or not the Participant still is living), but without prejudice to any Employer on account of any payment made before the change is recorded. The last effective designation received by the Committee shall supersede all prior designations. If a Participant dies without having effectively designated a Beneficiary, or if no Beneficiary survives the Participant, the Participant's Account shall be payable (i) to his or her surviving spouse, or (ii) if the Participant is not survived by his or her spouse, to his or her estate. A former spouse shall have no interest under the Plan, as Beneficiary or otherwise, unless the Participant designates such person as a Beneficiary after dissolution of the marriage, except to the extent provided under the terms of a domestic relations order as described in Code Section 414(p)(1)(B).

(e) *Change in Control Benefit.* A Participant may make an election with respect to the Payment Schedule for a Change in Control Benefit. Notwithstanding anything in this Plan to the contrary, in the event a Participant makes such an election and experiences a Separation from Service within 1 year following a Change in Control, the Participant shall be entitled to a Change in Control Benefit. The Change in Control Benefit shall be equal to the value of the Separation from Service Account and the unpaid balances of any Specified Date Accounts. Payment of the Change in Control Benefit will be made

(or begin in the case of installments) according to the Payment Schedule elected by the Participant on: (i) the first Business Day the follows the first January 15th following the Participant's Separation from Service or (ii) the first anniversary of the date specified in the immediately preceding (i). Notwithstanding the foregoing, if the Participant is a Specified Employee on the date of such Participant's Separation from Service, such distribution shall be made or begin not earlier than the first day of the seventh calendar month following the calendar month in which the Separation from Service occurs (or, if earlier, the date of such Participant's death). If the Change in Control Benefit is to be paid in the form of installments, any subsequent installment payments will be paid on the anniversary of the date such payments commence. The Change in Control Benefit shall be based on the value of that/those Account(s) on the date of the distribution.

- (f) *Unforeseeable Emergency Payments.* A Participant who experiences an Unforeseeable Emergency may submit a written request to the Committee to receive payment of all or any portion of his or her vested Accounts. Whether a Participant or Beneficiary is faced with an Unforeseeable Emergency permitting an emergency payment shall be determined by the Committee based on the relevant facts and circumstances of each case, but, in any case, a distribution on account of Unforeseeable Emergency may not be made to the extent that such emergency is or may be reimbursed through insurance or otherwise, by liquidation of the Participant's assets, to the extent the liquidation of such assets would not cause severe financial hardship, or by cessation of Deferrals under this Plan. If an emergency payment is approved by the Committee, the amount of the payment shall not exceed the amount reasonably necessary to satisfy the need, taking into account the additional compensation that is available to the Participant as the result of cancellation of deferrals to the Plan, including amounts necessary to pay any taxes or penalties that the Participant reasonably anticipates will result from the payment. The amount of the emergency payment shall be subtracted first from the vested portion of the Participant's Separation from Service Account until depleted and then from the vested Specified Date Accounts, beginning with the Specified Date Account with the latest payment commencement date. Emergency payments shall be paid in a single lump sum within the 90-day period following the date the payment is approved by the Committee. No Participant may receive more than one distribution on account of an Unforeseeable Emergency in any Plan Year. A Participant who receives a distribution on account of an Unforeseeable Emergency, and who is still employed by an Employer shall be prohibited from making Deferrals for the remainder of the Plan Year in which the distribution is made.
- (g) *Code Section 409A.* Notwithstanding anything to the contrary contained in this Plan, (i) a Participant shall have no legally-enforceable right to, and a Participating Employer shall have no obligation to make, any payment to a Participant if having such a right or obligation would result in the imposition of additional taxes under Code Section 409A, and (ii) any provision that would cause the Plan to fail to satisfy Code Section 409A will have no force and effect until amended to comply therewith (which amendment may be retroactive to the extent permitted by Code Section 409A). If any payment is not made under the terms of this subsection (g), it is the Participating Employers' present intention to make a similar payment to the Participant in a manner that will not result in the imposition of additional taxes under Code Section 409A, to the extent feasible.

6.2 Form of Payment.

(a) *Separation from Service Benefit.*

- (i) A Participant who is entitled to receive a Separation from Service Benefit shall receive payment of such benefit in a single lump sum, unless the Participant elects an alternate form of payment on the initial Compensation Deferral Agreement upon which an allocation of Deferrals is made to the Separation from Service Account (or the initial Compensation Deferral Agreement that precedes the Plan Year in which a Discretionary Contribution is allocated to the Separation from Service Account).
- (ii) Permissible alternate forms of payment for the Separation from Service Benefit are: (A) substantially equal annual installments over a period of two to ten years, as elected by the Participant, or (B) a lump sum payment of a designated percentage of the Separation from Service Benefit, with the balance paid in substantially equal annual installments over a period of two to ten years, as elected by the Participant.

- (b) *Specified Date Benefit.* The Specified Date Benefit shall be paid in a single lump sum, unless the Participant elects on the Compensation Deferral Agreement with which the Account was established to have the Specified Date Account paid in substantially equal annual installments over a period of two to five years, as elected by the Participant.

Notwithstanding any Specified Date election of a Participant, if a Participant dies or Separates from Service before distributions with respect to a Specified Date Account have commenced, such amounts shall be paid in accordance with the form and time of payment applicable to the Participant's Separation from Service Benefit or Death Benefit (as applicable). With respect to Specified Date Account Balances that have commenced to be paid in installment payments prior to the date of the Separation from Service, such Specified Date Accounts shall continue to be paid in accordance with the form of payment election applicable to the Specified Date Account.

- (c) *Change in Control Benefit.* In the event a Participant (i) makes an election with respect to the Payment Schedule for a Change in Control Benefit and (ii) experiences a Separation from Service within 1 year following a Change in Control, he or she shall be entitled to a Change in Control Benefit. The Change in Control Benefit shall be equal to the value of the Participant's Separation from Service Account and the unpaid balances of any Specified Date Accounts. A Participant who makes an election with respect to the Payment Schedule for a Change in Control Benefit and is entitled to receive a Change in Control Benefit shall receive payment of such benefit in a single lump sum, unless the Participant elects an alternate form of payment on the initial Compensation Deferral Agreement in substantially equal installments over a period of two or three years.
- (d) *Death Benefit.* In the event of the Participant's death, his or her designated Beneficiary(ies) shall be entitled to a Death Benefit. The Death Benefit shall be equal to the value of the Participant's Separation from Service Account and the unpaid balances of any Specified Date Accounts and shall be payable in a single lump sum. Payment of the Death Benefit shall extinguish all of the Participant's Accounts.

- (e) *Disability Benefit.* In the event of the Participant's Disability, he or she shall be entitled to a Disability Benefit. The Disability Benefit shall be equal to the value of the Participant's Separation from Service Account and the unpaid balances of any Specified Date Accounts and shall be payable in a single lump sum. Payment of the Disability Benefit shall extinguish all of the Participant's Accounts.
- (f) *Small Account Balances.* The Committee shall pay the value of the Participant's Accounts upon a Separation from Service in a single lump sum if the balance of such Accounts (together with any amounts deferred under any other nonqualified deferred compensation plan that must be aggregated with the Plan Accounts pursuant to Treasury Regulations Section 1.409A-1(c)) is not greater than the applicable dollar amount under Code Section 402(g)(1)(B), provided the payment represents the complete liquidation of the Participant's interest in the Plan together with any plan with which the Plan Accounts must be aggregated as described above.
- (g) *Rules Applicable to Installment Payments.* If a Payment Schedule specifies substantially equal installment payments, annual payments will be made beginning as of the payment commencement date for such installments, and shall continue on each anniversary thereof until the number of installment payments specified in the Payment Schedule has been paid. If a lump sum equal to less than 100% of the Separation from Service Account is paid, the payment commencement date for the installment form of payment will be the first anniversary of the payment of the lump sum. The amount of each installment payment shall be determined by dividing (i) by (ii), where (i) equals the Account Balance as of the Valuation Date and (ii) equals the remaining number of installment payments. For purposes of this subsection (f), the term "Valuation Date" means a date that is on the payment commencement date and each subsequent anniversary thereof, as applicable, or such other date as the Committee, in its sole discretion, shall determine in a manner consistent with Code Section 409A.

For purposes of Article VI, installment payments will be treated as a single form of payment; provided, however, that in the event a Participant elects a lump sum payment equal to less than 100% of his or her Separation from Service Account or Specified Date Account, the partial lump sum payment shall at all times with respect to the amounts deferred be treated as a separate payment, and the installment payments for the balance of the Account shall, at all times with respect to the amounts deferred, be treated as a single payment.

- 6.3 Acceleration of or Delay in Payments. The Committee, in its sole and absolute discretion, may elect to accelerate the time or form of payment of a benefit owed to the Participant hereunder, provided such acceleration is permitted under Treasury Regulations Section 1.409A-3(j)(4). The Committee may also, in its sole and absolute discretion, delay the time for payment of a benefit owed to the Participant hereunder, to the extent permitted under Treasury Regulations Section 1.409A-2(b)(7). If the Plan receives a domestic relations order (within the meaning of Code Section 414(p)(1)(B)) directing that all or a portion of a Participant's Accounts be paid to an "alternate payee," any amounts to be paid to the alternate payee(s) shall be paid in a single lump sum, and such amounts will be subtracted from the Participant's Accounts as specified in the Plan.

- 6.4 Distributions Treated as Made Upon a Designated Event. If the Company fails to make any distribution on account of any of the events listed in Section 6.1, either intentionally or unintentionally, within the time period specified in Section 6.1 or 6.2, as applicable, but the payment is made within the same calendar year, such distribution will be treated as made within the time period specified in Section 6.1 or 6.2 pursuant to Treasury Regulations Section 1.409A-3(d). In addition, if a distribution is not made due to a dispute with respect to such distribution, the distribution may be delayed in accordance with Treasury Regulations Section 1.409A-3(g).
- 6.5 Deductibility. If the Committee determines in good faith that all or a portion of any distribution (a) is grandfathered under P.L. 115-97, Section 13601(e)(2), relating to Code Section 162(m) as in effect prior to the enactment of the Tax Cuts and Jobs Act, and (b) will not be deductible by the Company or a Participating Employer solely by reason of the limitation under Section 162(m) of the Code, then such distribution to the Participant will be delayed until the first year in which it is deductible.

ARTICLE II. ARTICLE VII
Modifications to Payment Schedules

- 7.1 Participant's Right to Modify. A Participant may modify any or all of the Payment Schedules with respect to the Participant's Separation from Service Account or Specified Date Account(s), consistent with the permissible Payment Schedules available under the Plan, provided such modification complies with the requirements of this Article VII and Code Section 409A and Treas. Reg. §1.409A-2(b). Modifications of Payment Schedules with respect to Accounts not explicitly identified in the immediately preceding sentence are not permissible under the Plan.
- 7.2 Time of Election. In the case of any Specified Date Account, the date on which a modification election is submitted to the Committee must be at least 12 months prior to the date on which payment of such Specified Date Account is scheduled to commence under the Payment Schedule in effect prior to the modification in accordance with Treas. Reg. §1.409A-2(b)(1)(iii).
- 7.3 Date of Payment under Modified Payment Schedule. Except in the case of the Disability Benefit, the Death Benefit and Unforeseeable Emergency Payments, the date payments are to commence under the modified Payment Schedule must be no earlier than five years after the date payment would have commenced under the original Payment Schedule (or, in the case of installment payments treated as a single payment, five years after the first amount was scheduled to be paid) in accordance with Treas. Reg. §1.409A-2(b)(1)(ii). Under no circumstances may a modification election result in an acceleration of payments in violation of Code Section 409A.
- 7.4 Effective Date. A modification election submitted in accordance with this Article VII is irrevocable upon receipt by the Committee and shall not become effective until 12 months after such date in accordance with Treas. Reg. §1.409A-2(b)(1)(i).
- 7.5 Effect on Accounts. An election to modify a Payment Schedule is specific to the Account or payment event to which it applies, and shall not be construed to affect the Payment Schedules of any other Accounts.

ARTICLE III. ARTICLE VIII
Valuation of Account Balances; Investments

- 8.1 Valuation. Deferrals shall be credited to appropriate Accounts on or about the date such Compensation would have been paid to the Participant absent the Compensation Deferral Agreement. Discretionary Contributions shall be credited at the time or times determined by the Committee in its sole discretion. Valuation of Accounts shall be performed under procedures approved by the Committee.
- 8.2 Adjustment for Earnings. Each Account will be adjusted to reflect Earnings on each Business Day. Adjustments shall reflect the net earnings, gains, losses, expenses, appreciation and depreciation associated with an investment option for each portion of the Account allocated to such option ("investment allocation").
- 8.3 Investment Options. Investment options will be determined by the Committee. The Committee, in its sole discretion, shall be permitted to add, remove or substitute investment options from the Plan from time to time; provided however, that any such additions, removals or substitutions of investment options shall not be effective with respect to any period prior to the effective date of such change.
- 8.4 Investment Allocations. Notwithstanding anything else in this Plan to the contrary, a Participant's investment allocation constitutes a deemed, not actual, investment among the investment options comprising the investment menu. At no time shall a Participant have any real or beneficial ownership in any investment option included in the investment menu, nor shall the Participating Employer or any trustee acting on its behalf have any obligation to purchase actual securities as a result of a Participant's investment allocation. A Participant's investment allocation shall be used solely for purposes of adjusting the value of a Participant's Account Balances.
- A Participant shall specify an investment allocation for each of his or her Accounts in accordance with procedures established by the Committee. Allocation among the investment options must be designated in increments of 1%. The Participant's investment allocation will become effective on the same Business Day or, in the case of investment allocations received after a time specified by the Committee, the next Business Day.
- A Participant may change an investment allocation on any Business Day, both with respect to future credits to the Plan and with respect to existing Account Balances, in accordance with procedures adopted by the Committee. Changes shall become effective on the same Business Day or, in the case of investment allocations received after a time specified by the Committee, the next Business Day, and shall be applied prospectively.
- 8.5 Unallocated Deferrals and Accounts. If the Participant fails to make an investment allocation with respect to an Account, such Account shall be invested in an investment option, the primary objective of which is the preservation of capital, as determined by the Committee in its reasonable discretion.

ARTICLE IX
Administration

- 9.1 Plan Administration. The Plan shall be administered by the Committee. The Committee shall have the authority to control and manage the operation and administration of the Plan, including the authority and ability to delegate administrative functions to a third party. Claims for benefits shall be filed with the Committee and resolved in accordance with the claims procedures in Article XII.
- 9.2 Actions by Committee. Each decision of a majority of the members of the Committee then in office shall constitute the final and binding act of the Committee. The Committee may act with or without a meeting being called or held and shall keep minutes of all meetings held and a record of all actions taken by written consent.
- 9.3 Powers of Committee. The Committee shall have all powers and discretionary authority necessary or appropriate to supervise the administration of the Plan and to control its operation in accordance with its terms, including, but not by way of limitation, the following powers and discretionary authority:
- (a) To interpret and determine the meaning and validity of the provisions of the Plan, and to determine any question arising under, or in connection with, the administration, operation or validity of the Plan, or any amendment thereto;
 - (b) To determine any and all considerations affecting the eligibility of any employee to become a Participant or remain a Participant in the Plan;
 - (c) To cause one or more separate Accounts to be maintained for each Participant;
 - (d) To cause Compensation Deferrals and deemed interest to be credited to Participants' Accounts;
 - (e) To establish and revise an accounting method or formula for the Plan;
 - (f) To determine the status and rights of Participants and their spouses, Beneficiaries or estates;
 - (g) To employ such counsel, agents, and advisers, and to obtain such legal, clerical and other services, as it may deem necessary or appropriate in carrying out the provisions of the Plan;
 - (h) To establish, from time to time, rules for the performance of its powers and duties and for the administration of the Plan;
 - (i) To arrange for periodic distribution to each Participant of a statement of benefits accrued under the Plan;
 - (j) To publish a claims and appeal procedure satisfying the minimum standards of Section 503 of ERISA pursuant to which individuals or estates may claim Plan benefits and appeal denials of such claims;
 - (k) To delegate to any one or more of its members or to any other person, severally or jointly,

the authority to perform for and on behalf of the Committee one or more of the functions of the Committee under the Plan; and

- (l) To decide all issues and questions regarding Account balances, and the time, form, manner, and amount of distributions to Participants.

- 9.4 Administration Upon Change in Control. Upon a Change in Control, the Committee, as constituted immediately prior to such Change in Control, shall continue to act as the Committee. The individual who was the Chief Executive Officer of the Company immediately prior to the Change in Control (the “Ex-CEO”) shall have the authority (but shall not be obligated) to appoint an independent third party to act as the Committee.

After a Change in Control, no member of the Committee may be removed (and/or replaced) by the Company without the consent of either (a) 2/3 of the members of the Board of Directors of the Company and a majority of Participants and Beneficiaries with Account Balances or (b) the Ex-CEO or, in the event the Ex-CEO is no longer a Plan Participant, his or her appointee who is a Plan Participant.

The Participating Employers shall, with respect to the Committee identified under this Section: (a) pay all reasonable expenses and fees of the Committee, (b) indemnify the Committee (including individuals serving as Committee members) in accordance with Section 9.6, and (c) supply full and timely information to the Committee on all matters related to the Plan, Participants, Beneficiaries and Accounts as the Committee may reasonably require.

- 9.5 Withholding. The Participating Employer shall have the right to withhold from any payment due under the Plan (or with respect to any amounts credited to the Plan) any taxes required by law to be withheld in respect of such payment (or credit). Withholdings with respect to amounts credited to the Plan shall be deducted from Compensation that has not been deferred to the Plan.
- 9.6 Indemnification. The Participating Employer shall indemnify and hold harmless each employee, officer, director, agent or organization, to whom or to which are delegated duties, responsibilities, and authority under the Plan or otherwise with respect to administration of the Plan, including, without limitation, the Committee and its agents, against all claims, liabilities, fines and penalties, and all expenses reasonably incurred by or imposed upon him or her or it (including but not limited to reasonable attorneys’ fees) which arise as a result of his or her or its actions or failure to act in connection with the operation and administration of the Plan to the extent lawfully allowable and to the extent that such claim, liability, fine, penalty, or expense is not paid for by liability insurance purchased or paid for by the Participating Employer. Notwithstanding the foregoing, the Participating Employer shall not indemnify any person or organization if his or her or its actions or failure to act are due to gross negligence or willful misconduct or for any such amount incurred through any settlement or compromise of any action unless the Participating Employer consents in writing to such settlement or compromise.
- 9.7 Delegation of Authority. In the administration of this Plan, the Committee may, from time to time, employ agents and delegate to them such administrative duties as it sees fit, and may from time to time consult with legal counsel who shall be legal counsel to the Company.
- 9.8 Binding Decisions or Actions. The decision or action of the Committee in respect of any

question arising out of or in connection with the administration, interpretation and application of the Plan and the rules and regulations thereunder shall be final and conclusive and binding upon all persons having any interest in the Plan.

ARTICLE X

Amendment and Termination

- 10.1 Termination. The Company and each other Participating Employer intend to continue the Plan indefinitely, and to maintain each Participant's Account until it is scheduled to be paid to him or her in accordance with the provisions of the Plan. However, the Plan is voluntary on the part of the Company and the other Participating Employers, and the Participating Employers do not guarantee to continue the Plan. Accordingly, the Company reserves the right to discontinue its sponsorship of the Plan (or the sponsorship of another Participating Employer) and/or to terminate the Plan at any time with respect to any or all of its participating Eligible Employees (or all of another Participating Employer's Eligible Employees), by action of the Board of Directors. Upon the termination of the Plan with respect to any Participating Employer, the participation of the affected Participants who are employed by that Participating Employer shall terminate. However, after the Plan termination, the Account Balances of such Participants shall continue to be credited with Deferrals attributable to a deferral election that was in effect prior to the Plan termination to the extent deemed necessary to comply with Code Section 409A and related Treasury Regulations, and additional amounts shall continue to be credited or debited to such Participants' Account Balances pursuant to Article VIII. The investment options available to Participants following the termination of the Plan shall be comparable in number and type to those investment options available to Participants in the Plan Year preceding the Plan Year in which the Plan termination is effective. In addition, following a Plan termination, Participant Account Balances shall remain in the Plan and shall not be distributed until such amounts become eligible for distribution in accordance with the other applicable provisions of the Plan. Notwithstanding the preceding sentence, to the extent permitted by Treasury Regulations Section 1.409A-3(j)(4)(ix), the Company may provide that, upon termination of the Plan, all Account Balances of the Participants shall be distributed, subject to and in accordance with any rules established by the Company deemed necessary to comply with the applicable requirements and limitations of Treasury Regulations Section 1.409A-3(j)(4)(ix).
- 10.2 Amendments.
- (a) The Company, by action taken by the Board of Directors, may amend the Plan at any time and for any reason, provided that any such amendment shall not reduce the vested Account Balances of any Participant accrued as of the date of any such amendment or restatement (as if the Participant had incurred a Separation from Service on such date). The Compensation Committee shall have the authority to amend the Plan for the purpose of: (i) conforming the Plan to the requirements of law (which amendments, notwithstanding any provisions in this Section 10.2 to the contrary, may also be made without the consent of any Participant), (ii) facilitating the administration of the Plan, (iii) clarifying provisions based on the Compensation Committee's interpretation of the document, and (iv) making such other amendments as the Board of Directors may authorize.
 - (b) Notwithstanding anything to the contrary in the Plan, if and to the extent the

Compensation Committee shall determine that the terms of the Plan may result in the failure of the Plan, or amounts deferred by or for any Participant under the Plan, to comply with the requirements of Code Section 409A, or any applicable regulations or guidance promulgated by the Secretary of the Treasury in connection therewith, the Compensation Committee shall have authority to take such action to amend, modify, cancel or terminate the Plan (effective with respect to all Employers) or distribute any or all of the amounts deferred by or for a Participant, as it deems necessary or advisable, including without limitation:

- (i) Any amendment or modification of the Plan to conform the Plan to the requirements of Code Section 409A or any regulations or other guidance thereunder (including, without limitation, any amendment or modification of the terms of any applicable to any Participant's Accounts regarding the timing or form of payment).
- (ii) Any cancellation or termination of any unvested interest in a Participant's Accounts without any payment to the Participant.
- (iii) Any cancellation or termination of any vested interest in any Participant's Accounts, with immediate payment to the Participant of the amount otherwise payable to such Participant.
- (iv) Any such amendment, modification, cancellation, or termination of the Plan that may adversely affect the rights of a Participant without the Participant's consent.

ARTICLE XI

Informal Funding

- 11.1 General Assets. Obligations established under the terms of the Plan may be satisfied from the general funds of the Participating Employers, or a trust described in this Article XI. No Participant, spouse or Beneficiary shall have any right, title or interest whatever in any assets of the Participating Employers. Nothing contained in this Plan, and no action taken pursuant to its provisions, shall create or be construed to create a trust of any kind, or a fiduciary relationship, between the Participating Employers and any Employee, Director, spouse, or Beneficiary. To the extent that any person acquires a right to receive payments hereunder, such rights are no greater than the right of an unsecured general creditor of the Participating Employers.
- 11.2 Rabbi Trust. A Participating Employer may, in its sole discretion, establish a grantor trust, commonly known as a rabbi trust, as a vehicle for accumulating assets to pay benefits under the Plan. Payments under the Plan may be paid from the general assets of the Participating Employers or from the assets of any such rabbi trust. Payment from any such source shall reduce the obligation owed to the Participant or Beneficiary under the Plan.

ARTICLE XII

Claims

- 12.1 Claim Procedure. A Participant or a beneficiary (the "Claimant") must file with the Committee a written claim for benefits if the Claimant believes he or she has not received the benefits he or she is entitled to receive. Any such claim must be filed within 90 days after the first date the

Claimant knew or should have known of such a failure. Any claim filed after such time will be untimely.

- (a) *In General.* The Committee must render a decision on the claim within 90 days of the Claimant's written claim for benefits, provided that the Committee, in its discretion, may determine that an additional 90-day extension is warranted if it needs additional time to review the claim due to matters beyond the control of the Committee. In such event, the Committee shall notify the Claimant prior to the end of the initial period that an extension is needed, the reason therefor and the date by which the Committee expects to render a decision.
- (b) *Disability Benefits.* Notice of denial of a Disability Benefit will be provided within 45 days of the Committee's receipt of the Claimant's claim for a Disability Benefit. If the Committee determines that it needs additional time to review the Disability claim, the Committee will provide the Claimant with a notice of the extension before the end of the initial 45 day period. Such extension period may not exceed 30 days. If the Committee determines that a decision cannot be made within the first extension period due to matters beyond the control of the Committee, the time period for making a determination may be further extended for an additional 30 days. If such an additional extension is necessary, the Committee shall notify the Claimant prior to the expiration of the initial 30 day extension. Any notice of extension shall indicate the circumstances necessitating the extension of time, the date by which the Committee expects to furnish a notice of decision, the specific standards on which such entitlement to a benefit is based, the unresolved issues that prevent a decision on the claim and any additional information needed to resolve those issues. A Claimant will be provided a minimum of 45 days to submit any necessary additional information to the Committee. In the event that a 30 day extension is necessary due to a Claimant's failure to submit information necessary to decide a claim, the period for furnishing a notice of decision shall be tolled from the date on which the notice of the extension is sent to the Claimant until the earlier of the date the Claimant responds to the request for additional information or the response deadline.
- (c) *Contents of Notice.* If a Claimant's request for benefits is denied, the notice of denial shall be in writing and shall contain the following information:
 - (i) The specific reason or reasons for the denial in plain language;
 - (ii) A specific reference to the pertinent Plan provisions on which the denial is based;
 - (iii) A description of any additional material or information necessary for the Claimant to perfect the claim and an explanation of why such material or information is necessary;
 - (iv) An explanation of the claims review procedures and the time limits applicable to such procedures; and
 - (v) A statement of the Claimant's right to bring a civil action under Section 502(a) of ERISA following an adverse determination upon review.
 - (vi) In the case of a denial of a claim for Disability benefits, the notification shall be provided in a culturally and linguistically appropriate manner and;

- a. If an internal rule, guideline, protocol or other similar criterion was relied upon in making the adverse determination, either the specific rule, guideline, protocol or similar criterion; or a statement that such a rule, guideline, protocol or other similar criterion was relied upon in making the adverse determination and that a copy of such rule, guideline, protocol or other criterion will be provided free of charge to the Claimant upon request;
- b. If the adverse benefit determination is based on a medical necessity or experimental treatment or similar exclusion or limit, either an explanation of the scientific or clinical judgment for the determination, applying the terms of the Plan to the Claimant's medical circumstances, or a statement that such explanation will be provided free of charge upon request. Any electronic notification shall comply with the standards imposed by regulations issued by the Department of Labor under ERISA; and
- c. A discussion of the decision, including an explanation of the basis for disagreeing with or not following: (i) the views presented by the Claimant to the Plan of health care professionals treating the Participant and vocational professionals who evaluated the Participant, (ii) the views of medical or vocational experts whose advice was obtained on behalf of the Plan in connection with the Claimant's adverse benefit determination, without regard to whether the advice was relied upon in making the benefit determination, and (iii) a disability determination regarding the Participant presented by the Claimant to the Plan made by the Social Security Administration.

12.2 Appeal.

- (a) *In General.* A Claimant dissatisfied with the Committee's decision must file a written appeal to the Committee within 60 days after Claimant's receipt of the decision or deemed denial. Any claim filed more than 60 days after Claimant's receipt of the decision will be untimely. The Claimant will have the opportunity, upon request and free of charge, to have reasonable access to and copies of all documents, records and other information relevant to the Claimant's appeal. The Claimant may submit written comments, documents, records and other information relating to his or her claim with the appeal. The Committee will review all comments, documents, records and other information submitted by the Claimant relating to the claim, regardless of whether such information was submitted or considered in the initial claim determination. The Committee shall make a determination on the appeal within 60 days after receiving the Claimant's written appeal, provided that the Committee may determine that an additional 60-day extension is necessary due to circumstances beyond the Committee's control, in which event the Committee shall notify the Claimant prior to the end of the initial period that an extension is needed, the reason therefor and the date by which the Committee expects to render a decision.
- (b) *Disability Benefits.* Appeal of a denied Disability benefits claim must be filed in writing

with the Committee no later than 180 days after receipt of the written notification of such claim denial. The review shall be conducted by the Committee (exclusive of the person who made the initial adverse decision or such person's subordinate). In reviewing the appeal, the Committee shall: (i) not afford deference to the initial denial of the claim, (ii) consult a medical professional who has appropriate training and experience in the field of medicine relating to the Claimant's disability and who was neither consulted as part of the initial denial nor is the subordinate of such individual and (iii) identify the medical or vocational experts whose advice was obtained with respect to the initial benefit denial, without regard to whether the advice was relied upon in making the decision. To the extent required under ERISA, before the Plan can issue an adverse benefit determination on an appeal, the Committee shall provide the Claimant, free of charge, with any new or additional evidence considered, relied upon, or generated by the Plan, insurer, or other person making the benefit determination (or at the direction of the Plan, insurer or such other person) in connection with the claim and such evidence must be provided as soon as possible and sufficiently in advance of the date on which the notice of adverse benefit determination on appeal required to be provided under these claims procedures to give the Claimant a reasonable opportunity to respond prior to that date. Before the Plan can issue an adverse benefit determination on an appeal based on a new or additional rationale, the Committee shall provide the Claimant, free of charge, with the rationale and the rationale must be provided as soon as possible and sufficiently in advance of the date on which the notice of adverse benefit determination on appeal is required to be provided to the Claimant under these claims procedures to give the Claimant a reasonable opportunity to respond prior to that date. The Committee shall make its decision regarding the merits of the denied claim within 45 days following receipt of the appeal (or within 90 days after such receipt, in a case where there are special circumstances requiring extension of time for reviewing the appealed claim). If an extension of time for reviewing the appeal is required because of special circumstances, written notice of the extension shall be furnished to the Claimant prior to the commencement of the extension. The notice will indicate the special circumstances requiring the extension of time and the date by which the Committee expects to render the determination on review. Following its review of any additional information submitted by the Claimant, the Committee shall render a decision on its review of the denied claim.

- (c) *Contents of Notice.* If the Claimant's appeal is denied in whole or part, the Committee shall provide written notice to the Claimant of such denial. The written notice shall include the following information:
- (i) The specific reason or reasons for the denial;
 - (ii) A specific reference to the pertinent Plan provisions on which the denial is based;
 - (iii) A statement that the Claimant is entitled to receive, upon request and free of charge, reasonable access to and copies of all documents, records, and other information relevant to the Claimant's claim; and
 - (iv) A statement of the Claimant's right to bring a civil action under Section 502(a) of ERISA.

- (v) In the case of a denial of a claim for Disability benefits, the notification shall be provided in a culturally and linguistically appropriate manner and shall include any information described in Sections 12.1(c)(vi) a, b and c above with respect to the appeal.
- 12.3 Claims Appeals Upon Change in Control. Upon a Change in Control, the Committee, as constituted immediately prior to such Change in Control, shall continue to act as the Committee. After a Change in Control, no member of the Committee may be removed (and/or replaced) by the Company without the consent of either (a) 2/3 of the members of the Board of Directors of the Company and a majority of Participants and Beneficiaries with Account Balances or (b) the Ex-CEO or, in the event the Ex-CEO is no longer a Plan Participant, his or her appointee who is a Plan Participant.
- 12.4 Constructive Denial. If the Claimant does not receive a written decision within the time period(s) described above, the claim shall be deemed denied on the last day of such period(s).
- 12.5 Six Month Deadline for Filing Suit. A Claimant dissatisfied with the Committee's decision upon appeal under Sections 12.2 must file any lawsuit challenging that decision no later than six months after the Committee mails the notice of denial or a Constructive Denial occurs. Any suit brought more than six months after the denial on appeal or Constructive Denial shall be deemed untimely. In ruling on any such suit, the Court shall uphold the Committee's determinations unless they constitute an abuse of discretion or fraud. No Claimant may institute any action or proceeding in any state or federal court of law or equity, or before any administrative tribunal or arbitrator, for a claim for benefits under the Plan until he first has exhausted the procedures set forth in Sections 12.1 and 12.2.
- 12.6 Decisions of Committee. All actions, interpretations, and decisions of the Committee shall be conclusive and binding on all persons, and shall be given the maximum deference permitted by law.
- 12.7 Administrative Expenses. All expenses incurred in the administration of the Plan by the Committee, or otherwise, including legal fees and expenses, shall be paid and borne by the Participating Employers.
- 12.8 Eligibility to Participate. No member of the Committee who also is an Eligible Employee shall be excluded from participating in the Plan, but as a member of the Committee, he or she shall not be entitled to act or pass upon any matters pertaining specifically to his or her own Account.
- 12.9 Indemnification. Each of the Participating Employers shall, and hereby does, indemnify and hold harmless the members of the Committee, from and against any and all losses, claims, damages or liabilities (including attorneys' fees and amounts paid, with the approval of the Board of Directors, in settlement of any claim) arising out of or resulting from the implementation of a duty, act or decision with respect to the Plan, so long as such duty, act or decision does not involve gross negligence or willful misconduct on the part of any such individual.

ARTICLE XIII
General Provisions

- 13.1 Assignment. No interest of any Participant, spouse or Beneficiary under this Plan and no benefit payable hereunder shall be assigned as security for a loan, and any such purported assignment shall be null, void and of no effect, nor shall any such interest or any such benefit be subject in any manner, either voluntarily or involuntarily, to anticipation, sale, transfer, assignment or encumbrance by or through any Participant, spouse or Beneficiary. Notwithstanding anything to the contrary herein, however, the Committee has the discretion to make payments to an alternate payee in accordance with the terms of a domestic relations order (as defined in Code Section 414(p)(1)(B)).

A Participating Employer may assign any or all of its liabilities under this Plan in connection with any restructuring, recapitalization, sale of assets or other similar transactions affecting such Participating Employer without the consent of the Participant.

- 13.2 No Legal or Equitable Rights or Interest. No Participant or other person shall have any legal or equitable rights or interest in this Plan that are not expressly granted in this Plan. Participation in this Plan does not give any person any right to be retained in the service of a Participating Employer. The right and power of a Participating Employer to dismiss or discharge an Employee is expressly reserved.
- 13.3 No Guarantee of Tax Consequences. While the Plan is intended to provide tax deferral for Participants, the Plan is not a guarantee that the intended tax deferral will be achieved. Participants are solely responsible and liable for the satisfaction of all taxes and penalties that may arise in connection with this Plan (including any taxes arising under Code Section 409A). No Participating Employer or any of their directors, officers or employees shall have any obligation to indemnify or otherwise hold any Participant harmless from any such taxes. No Participating Employer makes any representations or warranties as to the tax consequences to a Participant or a Participant's Beneficiary(ies) resulting from a deferral of income pursuant to the Plan.
- 13.4 Rights and Duties. Under no circumstances will any Participating Employer, the Compensation Committee or the members of the Compensation Committee, the Committee or the members of the Committee be subject to any liability or duty under the Plan except as expressly provided in the Plan, or for any action taken, omitted or suffered in good faith.
- 13.5 No Effect on Service. Neither the establishment or maintenance of the Plan, the making of any Compensation Deferrals nor any action of a Participating Employer or the Committee, shall be held or construed to confer upon any individual: (a) any right to be continued as an employee or (b) upon dismissal, any right or interest in any specific assets of any Participating Employer or the Committee other than as provided in the Plan. Each Participating Employer expressly reserves the right to discharge any employee at any time, with or without cause. Nothing contained herein shall be construed to constitute a contract of employment between an Employee and any Participating Employer.
- 13.6 Notice. Any notice or filing required or permitted to be delivered to the Committee under this Plan shall be delivered in writing, in person, or through such electronic means as is established by the Committee. Notice shall be deemed given as of the date of delivery or, if delivery is made

by mail, as of the date shown on the postmark on the receipt for registration or certification. Written transmission shall be sent by certified mail to:

**RESMED INC.
ATTN: CORPORATE SECRETARY
9001 SPECTRUM CENTER BLVD.
SAN DIEGO, CA 92123**

Any notice or filing required or permitted to be given to a Participant under this Plan shall be sufficient if in writing or hand-delivered, or sent by mail to the last known address of the Participant.

- 13.7 Headings. The headings of Sections are included solely for convenience of reference, and if there is any conflict between such headings and the text of this Plan, the text shall control.
- 13.8 Invalid or Unenforceable Provisions. If any provision of this Plan shall be held invalid or unenforceable, such invalidity or unenforceability shall not affect any other provisions hereof and the Committee may elect in its sole discretion to construe such invalid or unenforceable provisions in a manner that conforms to applicable law or as if such provisions, to the extent invalid or unenforceable, had not been included.
- 13.9 Lost Participants or Beneficiaries. Any Participant or Beneficiary who is entitled to a benefit from the Plan has the duty to keep the Committee advised of his or her current mailing address. If benefit payments are returned to the Plan or are not presented for payment after a reasonable amount of time, the Committee shall presume that the payee is missing. The Committee, after making such efforts as in its discretion it deems reasonable and appropriate to locate the payee, shall stop payment on any uncashed checks and may discontinue making future payments until contact with the payee is restored to the extent permitted by Code Section 409A.
- 13.10 Facility of Payment to a Minor. If a distribution is to be made to a minor, or to a person who is otherwise incompetent, then the Committee may, in its discretion, make such distribution: (a) to the legal guardian, or if none, to a parent of a minor payee with whom the payee maintains his or her residence, or (b) to the conservator or committee or, if none, to the person having custody of an incompetent payee. Any such distribution shall fully discharge the Committee, the Participating Employers, and the Plan from further liability on account thereof.
- 13.11 Governing Law. To the extent applicable, ERISA shall govern the construction and administration of the Plan.
- 13.12 Compliance with Code Section 409A. This Plan is intended to be administered in compliance with Code Section 409A and each provision of the Plan shall be interpreted, to the extent possible, to comply with Code Section 409A.

IN WITNESS WHEREOF, the undersigned executed this Plan as of the 23rd day of June, 2020.

Ladies and Gentlemen:

We have acted as special securities counsel for ResMed Inc., a Delaware corporation (the "Company"), in connection with its filing with the Securities and Exchange Commission (the "SEC") of a registration statement on Form S-8 (the "Registration Statement") under the Securities Act of 1933, as amended (the "Securities Act"), with respect to the offer of up to \$50,000,000 of deferred compensation obligations (the "Deferred Compensation Obligations") pursuant to the ResMed Inc. Amended and Restated Deferred Compensation Plan (the "Plan"). This opinion is being furnished in accordance with the requirements of Item 601(b)(5) of Regulation S-K under the Act, and no opinion is expressed herein as to any matter pertaining to the contents of the Registration Statement or related Prospectus, other than as expressly stated herein as to the Deferred Compensation Obligations.

We have reviewed a copy of the Plan, the Registration Statement and the prospectus forming a part thereof, and we have examined the originals, or photostatic or certified copies, of such records of the Company, of certificates of officers of the Company and of public documents, and such other documents as we have deemed relevant and necessary as the basis of the opinions set forth below. In such examination, we have assumed the genuineness of all signatures, the legal capacity of each natural person signing such documents, the authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as photostatic or certified copies and the authenticity of the originals of such copies. We have also assumed that, when the Deferred Compensation Obligations are offered and incurred, the Registration Statement and any amendments thereto (including any post-effective amendments) will have become effective and comply with all applicable laws and such effectiveness shall not have been terminated or rescinded, and all Deferred Compensation Obligations will be offered in compliance with applicable federal and state securities laws and in the manner stated in the Plan, the Registration Statement and the prospectus forming a part thereof.

Based upon and subject to the foregoing, we are of the opinion that the Deferred Compensation Obligations, when incurred in the manner contemplated by the Registration Statement and the Plan and subject to the Company completing all actions and proceedings required on its part to be taken under the terms of the Plan, will be valid and binding obligations of the Company.

Our opinion is subject to: (i) the effect of bankruptcy, insolvency, reorganization, fraudulent transfer, moratorium or other similar laws now or hereafter in effect relating to or affecting the rights or remedies of creditors; (ii) the effect of general principles of equity whether considered in a proceeding in equity or at law (including the possible unavailability of specific performance or injunctive relief), concepts of materiality, reasonableness, good faith and fair dealing and the discretion of the court before which a proceeding is brought; (iii) the invalidity under certain circumstances under law or court decisions of provisions providing for the indemnification of or contribution to a party with respect to a liability where such indemnification or contribution is contrary to public policy; and (iv) we express no opinion as to (a) consents to, or restrictions upon, governing law, jurisdiction, venue, arbitration, remedies, or judicial relief, (b) any provision requiring the payment of attorneys' fees, where such payment is contrary to law or public policy, (c) provisions authorizing or validating conclusive or discretionary determinations, and (d) the severability, if invalid, of provisions to the foregoing effect.

With your consent, we have assumed (a) that the Plan and each of the Compensation Deferral Agreements to be delivered by the Participants pursuant the Plan will be in the form examined by us, (b) that each of the Plan and the Compensation Deferral Agreements constitutes or will constitute legally valid and binding obligations of the parties thereto other than the Company, enforceable against each of them in accordance their terms, and (c) that the status of each of the Plan and the Compensation Deferral Agreements as legally valid and binding obligations of the parties will not be affected by any (i) breaches of, or defaults under, agreements or instruments, (ii) violations of statutes, rules, regulations or court or

governmental orders, or (iii) failures to obtain required consents, approvals or authorizations from, or to make required registrations, declarations or filings with, governmental authorities.

In addition, we express no opinion with respect to any obligations or liabilities of any other person or entity under the Plan. We further express no opinion with respect to the liabilities or obligations of the Company, or any other person or entity, under any trust agreement entered into or that may be entered into in connection with the Plan.

The opinions expressed above are limited to the General Corporation Law of the State of Delaware, the laws of the State of California and the federal laws of the United States of America. Our opinion is based upon our consideration of only those statutes, regulations and reported decisional law, which in our experience are normally applicable to deferred compensation plans.

This opinion letter is limited to the matters stated herein, and no opinion is implied or may be inferred beyond the matters expressly stated. We hereby consent to the use of our opinion as herein set forth as an exhibit to the Registration Statement and to the use of our name under the caption "Legal Matters" in the prospectus forming a part of the Registration Statement. In giving this consent, we do not hereby admit that we come within the category of persons whose consent is required under Section 7 of the Securities Act or the rules and regulations of the SEC promulgated thereunder or Item 509 of Regulation S-K.

Very truly yours,
